Go past the Kernot Store and follow the Loch-Kernot Road until a “T” intersection is reached with the South Gippsland Highway. Turn right for a short distance until Loch is reached on the right side of the Highway. Coffee/lunch. To return to Bass retrace the route. Grade medium. Undulating.**

(ride 21 continued)

OR for riders wanting a shorter option you can start at the Kernot Store and meet up with the riders doing the longer distance. Approx. distance 25 kms. There would need to be some adjustment of ride start times.

- 22 Bass- Loch and return via Loch-Wonthaggi Road. Road bike – Distance 66 km. Follow the same route to Loch as per ride 21. After coffee/lunch depart Loch via the Loch-Wonthaggi Road. There is a steady climb until you get to a lookout on your right which is the end of the climb. This road runs along the top of the surrounding hills, and although being undulating and hilly in parts, provides scenic views. Turn right at the Grantville-Glen Alvie Road (Trewins Corner), ride past Candowie Reservoir on your left then follow ride 21 notes and return to Bass. Taking this route takes the grade to medium/hard. The views are excellent.**

OR for riders wanting a shorter option you can start at the Kernot Store and meet up with the riders doing the longer distance. Approx. distance 25 kms. There would need to be some adjustment of ride start times.
